**WHEN TO CALL** - The Mare Owner/Veterinarian should examine the mare during her heat cycle to determine when she will ovulate. The Stallion Manager should be contacted early in the mare's cycle, so that they may inform you what days they will be collecting the Stallion. As soon as the time of ovulation has been estimated, the Mare Owner or their Veterinarian, should contact the Stallion Manager as to when semen should be shipped; (usually, when a 3 to 4 cm ovulatory follicle is present.) REMEMBER: Advance notice is needed in order to collect, prepare and ship the inseminate. The Stallion Manager/Veterinarian will ship two (2) inseminations, if available, so as to arrive within 24 hours. ( Usually via FED-EX@). A same day Counter to Counter shipment via a connecting Airline is also available, if needed. Once the shipment arrives, the mare should be inseminated immediately. The mare could be inseminated again with the second dose after the initial cover, if necessary.

**STALLION COLLECTION, SEMEN EVALUATION, PROCESSING AND PACKAGING OF THE INSEMINATE WILL BE CONDUCTED AT THE KRUGER RANCH, BY A QUALIFIED, LICENSED VETERINARIAN:**

The servicing Veterinarian will bill the Mare Owner's Credit Card, directly for the Collection Fees  
The servicing Veterinarian(s) must have a valid credit card on file or pre-payment for the collection fee.

**RETURN BREEDING** - Should the mare fail to conceive, and another shipment is needed, the same procedures outlined above should be followed. A container deposit will be due prior to the actual call for transported semen. The actual shipping (/travel) costs will be deducted from the container deposit, and the remaining balance will be refunded/credited to the Mare Owner's account. (If an Equitainer@ is used, it must be returned promptly & in good condition). A Credit Card will be charged only for actual cost amounts at the time service is provided.

We recommend that the Mare owner set up their own account with FedEx, so discounted shipping charges will be billed directly to them.

**PLEASE NOTE: FedEx@ does not deliver overnight on Sundays or Mondays, to most locations.**

*Delivery via an Airline (counter to counter) is available; but, an additional airport delivery courier fee of \$75 will be charged. Unknown national security issues may limit counter to counter deliveries*
